Firm of the Year: Australia

Brookfield Asset Management

Australia topped many foreign investors' wishlists when looking at the region, but few firms have as long and active a history as Brookfield. In August 2019, the firm agreed to purchase Australian listed care home provider Aveo Group for approximately A\$1.2 billion (\$807.7 million; €742.3 million). Since Brookfield first entered the country in 2007, its AUM there has grown to over A\$20 billion across different asset classes.
