

Brookfield

Brookfield's Employee Engagement Groups

At Brookfield, we have a growing number of employee engagement groups, which are voluntary, employee-led groups that foster an inclusive workplace, provide volunteer opportunities and help develop future leaders.

Brookfield women's network

Brookfield Women's Network is dedicated to attracting, developing and motivating a community of women across Brookfield's various business groups. We aim to engage and inspire our full suite of female employees with various initiatives intended to support career growth and leadership development. Our areas of focus include professional development, mentorship, networking, business and industry education and philanthropy.

Brookfield cares

Brookfield Cares is Brookfield's corporate philanthropy initiative program, that aims to make a positive contribution to the communities in which we operate. The goal of our program is to use our financial and human resources to help enrich the lives of those in need within our community.

Brookfield bnext

Brookfield Next Generation (BNEXT) brings together colleagues in the early stages of their careers who want to engage with and learn from each other. The group encompasses young employees from various departments and offers support for career development and employee networking.

Brookfield pride network

The Brookfield Pride Network is focused on fostering a culture of inclusion for LGBTQ+ employees and allies. The network strives to provide broad support and a strong sense of community while empowering Brookfield employees to bring their whole selves to work. The Pride Network also helps to attract and retain top LGBTQ+ talent, contribute time and resources to charitable partners as well as develop educational programming and networking opportunities.
